“Fast and efficient fencing with new up-to-date equipment. Pole driving up to 4m long”

About Us

Rural Asset Development is a small local business based in the Warragul district. Dedicated to providing high quality and personalized service in the rural property asset field.

We aim to work closely with the client to develop the best suited product to your needs and wants. Approaching every project with care and attention to detail, we can ensure a long lasting quality product that can be utilized and enjoyed for years to come.

Have your own styles and ideas? No problem, we are happy to work with you. Solving issues and helping to create your dreams.

Planting or trimming trees, through to major property enhancements, full farm fences we are here to help you.

Helping to make your property greater and your maintenance easier is our goal.

Testimonial - JAMES ABRECHT cattle trader and grazer

Very highly recommend Rural Asset Developments. They have undertaken many different projects for us, all to our satisfaction. Can do anything. Several different types of fencing including new, repair work, tractor work and some excavation. Our properties include some very steep and difficult terrain. All work is completed to exceptional high quality at very reasonable rates. Happy to recommend Scott at Rural Asset to any one any time.

Testimonial - PETER POLOVINKA Victorian Valley Meat (formerly Trafalgar Abattoir)

Rural Asset Development, Scott Grace has worked for us over the past year, constructing all our fences on several properties. I have all the confidence in recommending Scott to any company/person that requires expertise in any fencing project. If there are any queries please do not hesitate in contacting me.

Regards Peter
